Happy Trails

April saw the return of AMR Membership Socials and our first HPDE of the season at La Junta Raceway. The driving tour committee had a meeting to discuss upcoming tours and how best to prepare for Treffen at the Broadmoor, which is now only 12 months away. If you are a new member and don't know about the PCA national event AMR is hosting, please check it out at <https://amrporsche.com/tcs2022>. We will need volunteers to help showcase our hospitality and scenic Rocky Mountain roads. For the few lucky AMR members who were able to successfully register for Treffen Scottsdale, they will be heading to the beautiful Marriott Camelback Resort soon. If you haven't already taken your P-car out of hibernation, please take a look at Upcoming Events below - there is no shortage of activities so I hope to see you at one or more of those events. -@

AMR “Spring Brake” HPDE Recap

AMR’s first HPDE was held on April 17-18 at La Junta Raceway. It was typical Colorado spring wet weather with about 32 members showed up on Saturday to drive around the track. The 20 members who stuck around for Sunday’s drive were rewarded with much better weather and track condition. The “Lead-Follow” instruction format was a success as many novice/beginner drivers finally got the chance to drive on the track for the first time since 2019. A big thank you to Event Chair Jackie Vance, Chief Driving Instructor Robert Yen, and all the volunteers who made this event happen; Big Mission Automotive and Creative Consortium also provided refreshments and snacks. Hope you are looking forward to a great HPDE season and don’t miss out on June’s “No Excuses VI” HPDE event below.

AMR “No Excuses VI” HPDE

We are hosting a late spring HPDE event at the Pueblo Motorsports Park on June 5-6. PMP is one of our favorite tracks. The 2.2 mile 10 turn track has fun elevation changes with a terrific “flow.” And the weather should be beautiful in early June! Attendance at PMP will be limited to a total of 110 drivers per day, including up to 30 Novice and Beginner drivers depending on the number of Instructors registered. Your priority in being confirmed for an event will depend on the date and time you register. Registration on

<https://www.motorsportreg.com/events/no-excuses-vi-pueblo-motorsports-park-pca-alpine-mountain-372282> closes Monday, May 31 so sign up soon.

New online HPDE media

For those who missed the AMR HPDE 101 webinar in March, the slides are available on the Technical References webpage under the Reference tab. There is also a MotorsportsReg tutorial video for DE and tour event chairs available on the AMR homepage under the Media section.

AMR Website Updates

New security features

The AMR web contract forms have been upgraded with anti-spambot features on April 23 to prevent auto phishing and spam e-mails to the Webmaster mailbox. Corresponds from the AMR website will now require additional user input before you can submit the webform.

Event Wrap Up

April Membership Social

AMR held its first membership social of the year at La Casa Fiesta in April 28. It was a great turnout and for some it was their first club event since the pandemic. President Nate Adams presented a few long overdue 2020 member awards. A big thank you to Stephen Smith of Big Mission Automotive for picking up the bar tab and donating to our door prize raffle! We also want to thank everyone for their generous donations to Tri-Lakes Cares food pantry and resource center. It was good to see familiar faces again and we hope you will join us at Edelweiss on May 19 for the next membership social where we can expand our attendance to 75 people. We will be repeating our socials at certain venues in order to comply with current COVID guidelines and restrictions.

Good Turns

May/June Charity

We will be supporting the Court Appointed Special Advocates (CASA) of the Pikes Peak Region for May and June. Specifically, we will need donations for CASA's "The Hanger" store where foster teens can shop for donated clothing and accessories free of charge. Watch for the May membership social advertisement for details.

Alpine Treks

AMR Cripple Creek Tour

Please join us on March 15 for the first AMR tour of 2021 to historic Cripple Creek. On this tour we will travel the back roads on the west side of Pikes Peak through the area's historic and present day mining district. You might even see people in period costume that will tell you all about this former gold mining camp and now the Pikes Peak region's nearest gambling town.

We will depart at 8:30 AM from Porsche Colorado Springs. Plan to arrive at the dealership by 8 AM for breakfast snacks, registration and a mandatory driver's meeting. Lunch is at the Gooseberry Patch restaurant with individual checks. Make sure you let us know if you choose not to join us for lunch!

Registration cost is \$10 per vehicle and closes at midnight on May 9. This event is at capacity and additional registration will be waitlisted. Please use the following link to get on the waitlist or get detailed information: <https://msreg.com/cripplecreek2021>.

AMR Mountain Roads Tour

Colorado's mountain roads are renowned for their great driving experience and breathtaking scenery. Our second tour of 2021 tour will provide plenty of both as we drive along the west side of the Rampart Range of the Rockies on Colorado 67. You will enjoy panoramic vistas on the way that include high mountain meadows and rugged peaks as we drive through numerous small towns. We will stop along the South Platte River, one of Colorado's premier Gold Medal trout fisheries, and follow the South Fork of Deer Creek as we descend from the mountains to the "Front Range" of Colorado. You will also have some time to explore the Denver Botanical Gardens at Chatfield Farms before lunch.

The tour will end with lunch at Daniella's Scratch Kitchen in Castle Rock with individual checks. At Daniella's everything, including the hamburger buns, are made fresh in house. Make sure you let us know if you choose not to join us for lunch!

We will depart at 9:00 AM from Porsche of Colorado Springs at 917 Motor City Drive in Colorado Springs. Plan to arrive at the dealership by 8:30 AM for breakfast snacks, registration and a mandatory driver's meeting.

Registration cost is \$10 per vehicle. Registration closes at midnight on May 19, 2021. Don't miss out and go to <https://msreg.com/mountainroads2021> to register soon.
